Anticipating the coming summer

West Side Story. Last week, the Riverside Park Conservancy and the Joan of Arc Statue Committee held their first-ever social event, "La Fête de Jeanne d'Arc: Celebrate Summer in Joan of Arc Park." The free, family-friendly event coincided with St. Joan's Feast Day and featured live music performed by Via Paris Jazz Band and macarons by Ladurée. The Joan of Arc Statue Committee is raising funds and working to restore the park to its original condition by 2019, the 100th anniversary of its opening. [Click here](#) to learn more.
