RIVERSIDE PARK CONSERVANCY

works in partnership with NYC Parks to restore, maintain and improve six miles of parkland stretching from West 59th Street to West 181st Street. Founded by a small group of volunteers in 1986, the Conservancy now employs more than 70 staff members who work alongside hundreds of volunteers and dozens of NYC Parks employees to care for 400 acres of green space along the Hudson River.

We are committed to ensuring that our park is a dynamic and vibrant space for all to enjoy. Our vision is grounded in comfort, community, environmental stewardship, and opportunities for active engagement. As we look to the future, we see a Park where all visitors feel safe and welcomed, where nature is nurtured and protected, and where recreation and programming flourish.

YOUR PARK NEEDS YOU!

SUPPORT OUR WORK

As a 501(c)3 nonprofit, we rely on individual donations. Your gift helps maintain gardens, preserve monuments, and provide free programs for all New Yorkers. Gifts of all sizes keep Riverside Park beautiful and welcoming for all! Visit riversideparknyc.org/donate for ways to give.
